Greetings:

On behalf of the people of the State of Colorado, it is my pleasure to congratulate the American Holistic Medical Association (AHMA) on three decades of promoting holistic health.

For thirty years, AHMA has worked to expand holistic treatment options throughout the medical community. By stressing a balance between physical, mental, and emotional conditions, AHMA has pioneered innovative approaches to treating individuals. Of all its accomplishments in promoting holistic health, one of the most commendable has been to encourage a partnership between patients and professionals, serving as a source of inspiration for thousands.

Congratulations once again on this momentous occasion. You have my best wishes now and for the future.

Sincerely,

Bill Ritter, Jr.
Governor
