President
American Holistic Medical Association
One Eagle Valley Court, Suite 201
Broadview Heights, OH 44147

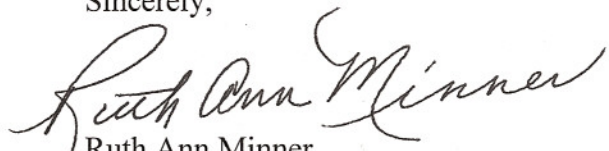

Dear Dr. Blatman:

I am writing to add my voice to those congratulating the American Holistic Medical Association on the occasion of the organization's 30th anniversary.

Those in the medical profession who are guided by the principles of holistic medical practice ultimately strive for their patients to achieve optimal health, by promoting a healthy lifestyle, preventing illness and raising awareness about disease. Holistic health care practitioners focus on the unique needs of each patient suffering from an illness and not the illness itself.

Congratulations on reaching this outstanding milestone, and good luck in future endeavors.

Sincerely,

Ruth Ann Minner
Governor
