

CHARLIE CRIST
GOVERNOR

August 14, 2008

Dear Friends:

Welcome to the American Holistic Medical Association's Annual Conference celebrating your 30th Anniversary!

For the past three decades, the American Holistic Medical Association has supported practitioners in their evolving personal and professional development as healers and to educate physicians about holistic medicine. This is a special milestone and is a testament to your exceptional care and commitment to your patients. Your hard work and dedication to understanding the innate healing power of the human body is admirable.

Ensuring that the citizens of Florida have access to quality health care is one of my highest priorities. You can be proud of your organization's contributions towards this important goal.

Sincerely,

A handwritten signature in blue ink, reading "Charlie Crist".
