GREETINGS

As Governor of the State of Illinois, I am pleased to welcome everyone gathered for the *Annual Conference and 30th Anniversary Celebration* of the **American Holistic Medical Association**.

This milestone marks 30 years of work by the American Holistic Medical Association (AHMA) to help transform healthcare to a more holistic model. Over the past three decades the efforts of your organization have surely helped to improve the level of care patients receive. I hope this conference gives you many great opportunities to connect and network with others in your industry. I also urge you to take this opportunity to reflect on your achievements over the past 30 years and to make plans for the future of your organization that build on your past success.

Congratulations again on this significant milestone. On behalf of the citizens of Illinois, I offer my best wishes for an enjoyable and memorable event.

Sincerely,
