Dear Friends,

As Governor, it is my pleasure to recognize and congratulate the members of the American Holistic Medical Association (AHMA) on the celebration of your 30th anniversary.

The AHMA has worked tirelessly throughout the past three decades to increase the understanding and acceptance of holistic medical practices. The organization has affected the mentality of medicine within our citizens, allowing for the exploration of the guiding principles of holistic medicine. As members and guests, you can take pride in the history and devotion of the AHMA and what you add to modern medicine.

Again, congratulations and best wishes to the AHMA for continued success.

Sincerely,

Jon M. Huntsman, Jr.
Governor
